

Top 10 Reasons Why... Ocean Cargo Insurance From Chubb

10 integrity

Never compromise integrity, a long-standing Chubb principle, means that each member of the Chubb organization seeks to bring quality, fairness and honesty to every transaction.

9 global reach

A network of branch offices in 28 countries enables Chubb to offer unsurpassed underwriting solutions, loss control and claim services from ocean to ocean and with a local presence. Chubb has experienced, knowledgeable underwriters in many local markets throughout the world to better understand and address your specific needs.

8 service

Chubb has been highly rated for quality of service in the Goldman Sachs U.S. Property/Casualty Insurance Survey of Producers every year since 2001. *Business Insurance* named Chubb "Best Property/Casualty Insurer" in 2005 for service, value, quality and innovation. Our reputation for claim service is legendary – we strive to respond to every claim within 24 hours of notification of loss and to issue payment for a covered loss within 48 hours of settlement.

7 loss control

Chubb's risk engineers have technical skills and ocean cargo expertise to offer guidance, disaster planning and tailored loss prevention programs. Our salvage professionals have a proven track record for prompt and equitable recoveries and successful subrogation activity that leads to reduced losses and lower insurance rates for customers.

6 financial strength

With more than \$48 billion in assets, Chubb receives consistently high ratings for financial strength from A.M. Best, Moody's and Standard & Poor's, leading independent analysts of the insurance industry.

5 century-old tradition

Since 1882, when Chubb insured our first shipment of grain, we have been dedicated to serving the ocean cargo market. Over a century later, this industry has grown into a multibillion-dollar business, and Chubb continues to be one of its leading insurers.
